

quickstart tennis

the new way to play tennis
for kids 10 and under

Quickstart Tennis is the **FUN** and **EASY** way for kids 10 and under to play the game of tennis. If you want to introduce your children to the lifetime sport of tennis, here is your chance.

Using smaller and lighter racquets, foam and low compression balls and age appropriate sized tennis courts children learn the fundamentals faster and with greater success.

Quickstart tennis is now offered at the YMCA

**When: Thursdays 5:30-6:30PM
Aug 26th-Oct 14th**

Who: Youth 5-9 yrs old

Where: Colorado Center for the Blind

Price: Community price is \$60, YMCA member price is \$30.

Sign up today and get your children playing tennis now.

*No equipment necessary, just come in tennis shoes and appropriate sports attire. Water is also recommended.

The game has been properly "brought down to size" for children by using:

- Smaller racquets (19", 21", 23")
- Transition balls
- Smaller court size
- Modified scoring

To register visit our website www.denverymca.org or the front desk of the YMCA.
