

## Dr. Ben Mullin Bio

Dr. Ben Mullin is the lead psychologist of the Colorado OCD and Anxiety Program (COAP) and the Leslie and William Vollbracht Family Chair in Stress and Anxiety Disorders at Children's Hospital Colorado, as well as an associate professor of Psychiatry at the University of Colorado School of Medicine. He works with children, adolescents, and their families, helping them live meaningful, interesting lives, even in the context of stress and anxiety. He is married and has two kids of his own, and in his free time loves to hike and play ultimate frisbee.
